

Shri Balvant Parekh Science City

Annual Status Report
April-2019 to March-2020

Overall Status: Progressing

Contents

• Science Safar	2
• Science Mobile Van	2
• Olympiads (Examinations)	3
• Library & Mobile Library Van	3
• Science Express Magazine	4
• Other activities	4
• Computer lab Programs	5
• Special Activities/ Day celebrations	6
• Special Visits / Guests	11
• Additional notes/ Remarks:	13
• Additional details regarding projects-activities (not mentioned in above report)	15
• Image Gallery:	16
• Descriptions of the Projects	26

Science Safar

	April 2019 to March 2020
Students	10,669
Schools	171
visitors	888
Special activity or anything special regarding Science Safar	Std.10 students got benefitted specially for their upcoming Board exams
Issues:	<ul style="list-style-type: none"> ● Many extra-curricular activities in the school. ● School don't have facilities of transportation

Science Mobile Van

	April 2019 to march 2020
Students benefitted	37,258
Schools	314
Special activity or anything special regarding Mobile Van	Mobile Van Recolored and Updated with newly designed posters-stickers (refer to image gallery) Rural school children were interested & inquisitive
Issues:	-

Kajano

	April 2019 to march 2020
Educational Toys/Kit	754 (people benefitted)
Issues:	People are unaware of this department Toys are outdated

Olympiads (Examinations)

		April 2019 to March 2020		
Status:		<p>15256 students from 181 schools across Gujarat appeared in ISO & ICO exams dated 15th Dec & 22nd Dec.</p>	<p>Results are getting ready of the ISO/ICO exam conducted by the organization</p>	<p>Results were uploaded on our site, on the mid of March, www.sciencecity.co.in/iso-ico-results-2020/ schools participated in the exam informed to visit the site for the result.</p>
Special activity or anything special	Preparation of the Question papers for the exams (by staff) Question papers with instructions are ready to dispatch.	<p>Some of the students who enrolled directly through science city, their exams have been taken at the science city on the same date & time. Super30 students also enrolled for ISO & their exams held at the premises. We had initiated ISO/ICO online exams in which 12 students were enrolled & exam conducted successfully</p> <p>https://www.sciencecity.co.in/iso-indian-science-olympiad-exam-completed/</p> <p>https://www.sciencecity.co.in/online-examination-portal-for-iso-ico/</p>		<p>Certificates are getting ready of the ISO/ICO exam, at our premises</p>
Issues:	Lack of advertisement & Lack of preparation			

Library & Mobile Library Van

		April 2019 to march 2020
Library		451
Mobile Library		156
Issues:	<p>New books are required in English & Gujarati e-library setup is required Mobile van needs to be upgraded</p>	

Science Express Magazine

		April 2019 to March 2020			
Total copies distributed:	<i>Gujarati copies</i>	1688 (average)			
	<i>English copies</i>	82 (average)			
Special activity or anything special					<i>Digital version of science express is under planning & soon will be available on the website.</i>
Issues:	Lack of advertisement				

Other activities

		April 2019 to March 2020			
Super30	39				
Open House:	171				
Special activity or anything special	Math model made by super-30 students	<i>All Super30 students took part in ISO exam.</i>	<i>Some Super30 students took part in 'Water Exhibition' held at science city on 23rd & 24th January 2020.</i>		
Issues:	Selected students have difficulties in transportation				

Computer lab Programs

		April – 2019 to March – 2020		
Science City KVK (VTP):	● Digital Camera Photography	75		
	● Computer Hardware	28		
	● Accounting with Tally (GST)	137		
	● Videography	16		
	● Video Editing	-		
Computer Lab programs (Non-KVK):	● Course on Computer Concepts (CCC) (Advanced by Science city)	154		
	● Internet & you (smartly use smartphone) (female special)	6		
	● AutoCAD (Beginner) (Common Streams)	Course planned	Finalized faculty, course-syllabus & circular-advt.	Reg. open
Special activity or anything special regarding	Certificate distribution of 70 students by Shri M.G. Makvana sir -Superintendent irrigation department - Bhavnagar and Shri D.S. Patel executive engineer-BIPD and Smt. Chetnaben Kothari-trustee science city.	Certificate distribution of 50 students from 4 batches by Pidilite team members was done. (Digital Camera Photography-1, Tally-1,3,1,2) (Feb29)		
Issues:	<ul style="list-style-type: none"> ● AutoCAD is lacking registrations because of engineering exams. ● A batch named Digital photography-13 still has no status regarding certificates. That NARI-KVK batch result submitted on September 2019. ● As per the notification of DGET & RDDT, skill course like Computer Hardware, Videography & video Editing are not in their 52-courses list, hence they suggested not to start any batch regarding. 			
Total	<ul style="list-style-type: none"> ● Total KVK students across whole year: 75+28+137+16 = 256 ● Total Computer Lab programs (Non-KVK) students across months: 154+6 = 160 			

Special Activities/ Day celebrations

April 2019	<p>Summer Program: It is an activity-based program for different age group children during their summer vacation time. 50 students & 15 teachers participated in this program.</p> <hr/> <p>Math Workshop: Most of the students have fear of math subject, we designed this program for children to cope with this fear. To solve math problem easily & math-model making concept shared with 40 girls of school no.- 60 from std.5th to 8th</p>	
	Number of people benefited	105 (approx.)
May 2019	<p>Summer workshop on Math-Science model for schools & community: Math model making workshop program has been done for children during summer vacation in which 30 students participated. And in Science model making workshop 35 students participated.</p> <hr/> <p>Lohana Samaj Math-Science model making workshop: Math model making workshop arranged for Lohana community. 25 students participated in this program.</p> <p>Fun Fair at Iscon Club: Iscon club & Wonderland arranged fun fair program for children of Bhavnagar. Our mobile van setup there with various science-math models. 500 children got benefited in this program.</p> <hr/> <p>Summer Program: Activity based program done during summer vacation for different age group of children to utilize their vacation time. In which Little Scientist, My Laboratory, Science Electronics, Vedic Math, Enjoy Science Programs & summer camp at a school were done in which 76 students participated.</p>	
	Number of people benefited	666 (approx.)
June 2019	<p>World Environment Day: Concept of plantation through seed ball, water conservation, pollution shared with 60 environment lover people. 600 seed-ball made in this program to save mother-earth.</p> <hr/> <p>Rotary Children & Seed ball program: Same concept as on world environment day, shared with Rotary Club children. 60 children get benefited in this program. 500 seed-ball made.</p> <p>Kitchen Garden: This program was arranged for Amar Jyoti International School student's parents. Kitchen garden, seed ball, medicinal herbs, share plants & save plants concept shared with them. 22 people participated in this program.</p> <hr/> <p>Staff training: During vacation staff training arranged for math, science & computer.</p> <p>Visit to Mydhar Science City: it is developed on Agastya foundation pattern. 40 persons were present there.</p>	
	Number of people benefited	182 (approx.)
July 2019	<p>Induction program for Diploma 1st year students: curiosity towards science developed among students. Also, a training for Fire Safety & how to operate different types of Fire Extinguisher was given to the students as well as to our staff. 650 peoples got benefited in this program.</p> <p>Spreading of seed ball: seed ball distributed to the youth hostel students to spread beside Malnath hills area during monsoon</p> <p>Motivated B.Ed. students of DIET: four-day residential program of DIET (govt.) college arranged with Lok Bharati Sanosara. 200 students benefited in this program.</p>	

July 2019	<p>Kitchen Garden Session 1: this program was arranged for general public to aware about kitchen garden, seed ball, share plants & save plants</p> <p>Kitchen Garden Session 2:</p> <p>Lecture on Health & Ayurveda by Dr. Venu Gopal: A program on 'how to become healthy?' by a well-known Ayurveda doctor from Hyderabad. He discussed on food habits & herbs as medicinal plant & many more to be healthy. 25 people participated in this program.</p> <hr/> <p>Staff Training Session: A microscopic observation of organism & making slides training for biology teachers was given</p> <p>Teacher/Receptionist interview for recruitment</p> <hr/> <p>Meeting with Dr. Shukla: staff review, fund status, funds required for plans, last year programs & this year plan update, transfer of KVK Nari Centre at science city & NOC of building discussed. Ride donated to Shishu Vihar Bhavnagar, as per discussion with Shri Ashwin Bhai Shah & Shri Sanjay bhai Shah. The place will be used for another models & planetarium</p>	
	Number of people benefited	875 (approx.)
August 2019	<p>A four-day residential program done with Lok Bharati Sanosara for B.Ed. students of DIET. In which 288 students participated. As a part of developing scientific approach in students</p> <hr/> <p>Kitchen Garden Session 1: Various plants purchased from Mr. Janardan Dada's home at very economic rate & amount 650/- deposited in Sainik Fund. 20 persons benefited in this program</p> <hr/> <p>Kitchen Garden Session 2: This program was organized for general public, in which medicinal herbs benefit shared with them. 15 persons got benefited in this session. Teacher/Receptionist interview for recruitment</p>	
	Number of people benefited	323 (approx.)
Sep 2019	<p>BMC Science fair at Pramukh Swami primary school, total no. of beneficiary is 750 there.</p> <hr/> <p>Science Fair Bhavnagar district school mela at Aadpur primary school Palitana, 5002 people got benefited there</p> <hr/> <p>Teacher's day celebration. Scientific approach discussion with 22 students.</p> <hr/> <p>Superstition Program done, in which 700 students were benefited, in which a presentation with video clip was shown & demonstrated & clarified the scientific facts.</p> <hr/> <p>On the occasion of Chairman Sir, Shri Madhukar bhai Parekh visit we organize a small Science fair. 14 models developed by Supr-30 students; photography exhibition done by photography students & 14 Math model setup by 20 B.Ed. students.</p> <hr/> <p>Math Lab for Kalsar school was developed as per discussion with Dr. Shukla sir.</p>	
	Number of people benefited	6,494 (approx.)

Oct 2019	<p>APJ ABDUL Kalam birthday celebration program was done through power point presentation with video clip on Kalam Sir for 300 students of 2 schools/madrassa with support of Anjumane Islam organization</p> <hr/> <p>Science behind Diwali presentation was given to 203 students representing the science behind Diwali, religion, culture, pollution, green crackers & health</p> <p>2000 pamphlets printed & distributed through local newspapers for Green crackers awareness through that.</p> <hr/> <p>Cyber security lecture session arranged to aware people from cyber crime</p> <hr/> <p>Water conservation Program: Pidilite water team-Bhavnagar, government of Gujarat irrigation department-Bhavnagar and Science city organized Bhavnagar water conservation 3 years work sharing with Government officials and NGO member on 16th oct at Science city. 65 persons got benefited in this program.</p> <hr/> <p>Meeting with staff: trustee Mrs. Chetana Kothari has done a meeting with staff & shared work planning, team development, advertisement, bonus & advance.</p>	
	Number of people benefited	568 (approx.)
Nov 2019	<p>An educational program organized at Swaminarayan temple "Vadatal" for 16 days and everyday 30,000-35,000 visitors were benefited every day. The program was conducted from 25/10/2019 to 12/11/2019.</p> <p>Two staff members were there for this program continuously. Children and others enjoyed watching Science presentation, demonstration, models and live experiments. This is the appreciation letter (see image gallery) we got from the chairman, Shri Swaminarayan Mandir for our work in their program.</p>	
	Number of people benefited:	5,60,000 (approx.)
Dec 2019	<p>Solar Eclipse: Program conducted on solar eclipse on 26th December 2019, in which PowerPoint presentation & demonstration regarding how & when to observe solar eclipse was done inside the premises as well as in the schools.</p> <p>2000 students (including 10 schools) & visitors took advantages of this program during the eclipse time 8am to 11am i.e. only within 3 hours at the center. Visitors saw the eclipse with spectacles (solar eclipse viewer).</p> <p>An idea to view the sun via color water during the time of eclipse was also given to the students.</p> <p>Our staff visited many schools to show the PowerPoint presentation about the causes & effects of eclipse, position of the sun, earth & moon during the eclipse, the superstition about the eclipse etc.</p> <p>https://www.sciencecity.co.in/solar-eclipse-and-science-city/</p>	
	<p>State Level Science & Math Exhibition Conducted at Aadpur, Palitana</p> <p>Number of people benefited: 14600 (approx.)</p> <p>112- schools, 400 – projects from various selected schools of Gujarat</p>	
	Number of people benefited:	16600 (approx.)

January 2020	<u>Happy street Program:</u>	
	We kept a stall at Aatabhai Chock, Bhavnagar in the ' Happy Street ' program on 5th January from 6am to 10.30am organized by Bhavnagar Municipal Corporation (BMC). For enhancement of more interest in Science & Math among the people, we kept some puzzles and science models. We distributed 'Science Express' to interested children.	
	Approx.400 people got benefited to this program.	
	<u>Kite Festival</u>	
	A program organized to show PowerPoint presentation in Science City & at schools to aware students about the religious value, beliefs, causes & the science behind the celebration of this festival- Save Birds . 1360 students of 8 schools got benefited to this program. Dr. Tejas Desai given a lecture on ' Ban of Plastic ' to make students aware about harmful hazards of plastic.	
January 2020	<u>Water - The Precious Property Exhibition</u>	
	Science City completed 10 year of its establishment on 26th January , as part of this "Water – The Precious Property exhibition" organized on 23rd & 24th of this month. In which 20 schools with 63 models & 107 students participated. Also, 7 school with 656 students & 85 visitors came to visit the exhibition . 	Models (related to water) from CSMCRI was also there in our exhibition . The aim of this exhibition was as to aware students & the society about the importance of water & conservation . Participation certificate & complimentary gift was given to all the participants. https://www.sciencecity.co.in/water-the-precious-property/	
	"Jigyasa" (towards science) one-hour lecture given by Dr. Ankkur Goel (chief scientist, CSMCRI Bhavnagar) in our auditorium to the students & the topic was " Science, Scientist, Innovation & Society ". 175 students & visitors got benefited from this.	
	<u>Republic Day Celebration:</u> - Republic Day celebrated at science city. On this occasion our chief guest were Mr. Hiteshbhai Manubhai Vyas . He is a famous lawyer at Bhavnagar & also trustee of different organizations. He hoisted the flag & gave us an inspirational speech.	
Number of people benefited:		2676 (approx.)
February 2020	<u>Sahitya Academy Teacher's Workshop</u>	
	Gujarat Sahitya Academy- Ganadhi nagar sponsored Teacher's Workshop on 7th Feb.2020 , which was inaugurated by Mr. N G Vyas (DDO – Bhavnagar) . The topic was " Bal Vigyan Sahitya ma Maulikta ". Lecture was taken by well-known speaker Shri Yashvant Mehta, Shri Lalit Khambhayata, Dr. D.C. Bhatt, & Dr. Arunbhai Dave. Shri Kansagara sir (DPEO-Bhavnagar) had visited science city and motivated all teachers. 70 teachers of Primary, secondary & senior secondary were participated. https://www.sciencecity.co.in/બાલવિજ્ઞાન-સાહિત્યમાં-મ/ (click on link for detailed report)	

	<p style="text-align: center;"><u>Science Day Celebration</u></p> <p>We organized a popular lecture on Sir C.V. Raman - 28th February to celebrated Science Day,</p> <p>181 students of 2 schools benefited. Both mobile-van also showed presentation at schools. We've supported school level science fair of Bharoli Primary School & 320 students got benefited. We've supported to Mahalaxmi girl's high school's science fair to judge various 60 projects. We've also went to Sandipani Vidyalaya's Science fair where 1200 students benefited.</p>	
March 2020	Number of people benefited:	1771 (approx.)
	<p>Food Adulteration program done in Science City & Mahila College in which 115 females got benefited</p> <p>Holi Presentation program done in different schools by our academic staff in which 790 students got benefited</p> <p>FM Advertisement on 93.1 done for 3 days (23rd, 24th & 25th) for the publicity of the organization</p> <p>Digital Portal development initialized for running the programs as all staff were working from their home during lockdown declared by the government</p> <p>https://www.sciencecity.co.in/learn-with-fun/ digital portal developed at the end of this month in which children can enjoy learning Science & Math with fun at home</p> <p>Total views & visits - 1500</p>	
	Number of people benefited	905 (approx.)

Special Visits / Guests

April 2019	-----
May 2019	Trustees meeting held on 25/05/2019.
June 2019	-----
July 2019	-----
August 2019	<ul style="list-style-type: none"> • Pidilite team visit: Pidilite Bombay team- 10 members had visited science city. Super-30 scholarship program has been done with them
September 2019	<ul style="list-style-type: none"> • Chairman sir, Shri Madhukar bhai Parekh visited science city. A small science fair arranged with the models made by super-30 students. KVK Photography students done photography exhibition. Math models setup in math lab by 20 B.Ed. students • Pidilite Bombay, 10 members team visited science city
October 2019	<ul style="list-style-type: none"> • Pidilite water team (Water Conservation Program) Bhavnagar, government of Gujarat irrigation department- Bhavnagar and Science city, organized Bhavnagar water conservation 3 years work sharing with Government officials and NGO member on 16th oct at Science city. Shri R.M. Makavana sir – superintendent, Gujarat irrigation department, Bhavnagar, Shri S. G. Patel sir-Sin Engineer-BIPD, Shri D.R. Patel sir- Sin Engineer-PID, Shri C. S. Pathak sir Pidilite consultant, Mr. Bipin bhai Vyas - Expert Walmi member, Bhavnagar irrigation account section official and water team members- Pidilite had presented and share views on work, how to reduce cost of check dam and discussion on technical issues, importance of water, recycle of water, rain water harvesting with individual level, and save water.
November 2019	-----

<p>December 2019</p>	<ul style="list-style-type: none"> • Trustees meeting held on 28/12/2019, In which Shri Madhukar bhai Parekh, Shri Sanjay bhai shah, Shri Arun Bhai Dave, Shri Ashwin bhai Shah, Shri Bipin bhai Shah, Mrs. Chetana ben Kothari & Dr. P K Shukla were present.
<p>January 2020</p>	<ul style="list-style-type: none"> • Pidilite team (8 members) visited Science city. We also received products from Pidilite Bombay, on 25th of this month • GHCL foundation visited & shared proposal of educational kits & teacher's training. • 25th ceremony function of Sheeshav, an NGO attended. This organization had done enthusiastic work for the backward children • Mr. Narendrabhai Parekh visited science city on 20th January https://www.sciencecity.co.in/shri-narendrabhai-parekh-visit/ • Smt. Jayshreeben Kirtibhai Sanghavi visited Science City on 06/01/2020 with her family. Kids enjoyed a lot in to visit Museum, BrainGYM, Khazana & Natraj Park
<p>February 2020</p>	<ul style="list-style-type: none"> • Shri Balvant Parekh High School, Kalsar visited Science city on 22/02/2020. Students enjoyed a lot by visiting Museum, & by watching Science related movie in the auditorium. • Pidilite Industries Ltd Bombay 10 members had visited science city on 29th Feb. They gave certificates to Tally and Photography 50 students as a part of Koushalya Vardhan Kendra program
<p>March 2020</p>	<p>-----</p>

Additional notes/ Remarks:

<p>April 2019</p>	<ul style="list-style-type: none"> • NOC of building is under process • Science museum – improvement • Academic staff need training • Math Lab –display work is Under process • Planning to purchase models and apparatus for lab and Science kit. • Committee meeting with Mr. Ashwin sir & Mr. Sanjay sir discussed on summer camp workshop program, publicity of Science City & other issues. general points
<p>May 2019</p>	<ul style="list-style-type: none"> • Trustee meeting held on 29/5/2019 at Shri Balvant Parekh science city, Bhavnagar- to review work of science city 2018-19 and planning. Trustee members are presents and discussed on various points. Suggestion are ... <ol style="list-style-type: none"> 1. Celebration of festival with scientific approach and awareness- Holi, Diwali, Kite flying, other. (Start up 2 -3 program and focus on it) 2. Work on current issues of society and take fast action on it. <ul style="list-style-type: none"> • Fire safety (Surat coaching classes accident) we thought we should aware the public about fire safety and so we've planned demonstration in association with fire brigade, Bhavnagar • Election time we should shows application why 'beep' sound and how you assure your vote in EVM • Seasonal issues, like types of mango, organic, carbide, why green color turn into saffron color, taste changes from sour to sweet. 3. Basement water issue 4. Rain water storage for public. 5. Publicity of Science City 6. Appointment of admin person so that Ashwin bhai will focus more on academic work 7. Trustee meeting should be regularly every quarter 8. Compilation of BU as early as possible 9. Dr. Shukla sir informed the work of Agastya at science city. 10. Dr. Arun Dave informed about "Mojilu Shikshan". & suggested to setup Hobby idea and training at every center and work of science and art 11. Sanjay Sir suggested to setup computerized account.
<p>June 2019</p>	<ul style="list-style-type: none"> • Staff working time & review process done • Building NOC is under process • Natraj park model maintenance work
<p>July 2019</p>	<ul style="list-style-type: none"> • Science museum maintenance • Science lab setup for new program • Interview for Administrator, teacher & clerk
<p>AUGUST 2019</p>	<ul style="list-style-type: none"> • Science museum maintenance • Maintenance work for Natraj Park models • Science lab setup for new program • Interview for Administrator, teacher & clerk

September 2019	<ul style="list-style-type: none"> • Visit to Mydhar Science City with Mrs. Chetana Kothari & Mr. A Prajapati • Auditorium renovation planning • Recruitment of HR & teachers • Various school visit for the promotion of science city program by our staff • Investment of funds as per our requirement • Advertisement of ISO/ICO & hardware program through local news paper
October 2019	<ul style="list-style-type: none"> • Vikram Sarabhai community science center, Ankur Electronics, KHOJ museum, & local manufactures of models visited by Mr. Ashwin Prajapati • Audit report of the year 2018-2019 completed by Shri Manoj kumar P Gohil • Surplus fund investment process to HDFC bank completed • Advertisement of science city with one large holding at Ghogha circle and 30 banners in various location of Bhavnagar done for the publicity
November 2019	<ul style="list-style-type: none"> • New models purchased for museum & mobile van • Training of staffs for the ISO/ICO Examination plan • Promotion of Science Express at Ahmedabad book fair • Old mobile van is sold, as a lot of maintenance was there • Supported Science-Math lab setup at Aadpur Prathmik Shala, Palitana as per the letter received from the Govt. for the allotment of work.
December 2019	<p style="text-align: center;">-----</p>
January 2020	<ul style="list-style-type: none"> • We had planned for teacher's workshop & received approval for funds from 'Sahitya Academy' & we are planning to arrange this program in the next month (February) • TV installed in the corridor. Video Guide of Brain GYM & Science City's Special Showcasing Video are currently displayed on the TV for the students & visitors.
February 2020	<ul style="list-style-type: none"> • Bangalore visit: • Trustee Mrs. Chetnaben Kothari and Mr. Ashwin Prajapati visited Visvesvaraya industrial & Technology Museum - Bangalore and Agastya International Foundation Kuppam during 23/2/2020 to 25/2/2020 as part of promoting science center. We got exposers of many new science models from various sections of science like, Machine (Gear, Energy) Magnetism, Electric- electronic section, Science show- kids, 3D Movie show, Planetarium, Space science. • Mr. Balakrishnan arranged campus visit and program schedule. We had visited Pai section - Science and Math section and Math playground. Nav Rachana - innovative Hub, Art & Media section - photography, Library, Computer- 3D printer section, store, Mechanical-movement, DNA unit, Biology section - (Evolution, Ecology). • We had visited ecological trail where we saw Auditorium and planetarium. We met Mr. Kumar (Agastya Foundation) shared views on various sections. • We visited Agastya mobile van program • We will plan to set up some of the programs of Agastya Foundation. • We got new vision & ideas for the science center • Science center Bangalore was also visited by us.

<p>February 2020</p>	<ul style="list-style-type: none"> • Mr. Prajapati and other members meeting on <ul style="list-style-type: none"> ○ Agastya foundation visit, ○ Pidilite Hobby idea materials, ○ Staff uniform, ○ Summer Camp Program, ○ water exhibition, ○ Gujarat sahitya academy teacher workshop, ○ science express, ISO-ICO update – online examination and result, ○ Planning to visit Mydhar or Mahuva, with staff of Science city ○ Auditorium • Color printer & Air conditioner purchased • Television donated by Shri Sanjay bhai shah, • Bath room Renovation is under process • Science math lab setup at Aadpur- Palitana.
<p>March 2020</p>	<ul style="list-style-type: none"> • As all staff are working from home due to lockdown (declared by the government), we have developed "Learn-with-Fun" digital interaction portal. In this portal children can enjoy Brain GYM, Biology, Physics & math mcq questions & can score marks also.

PIDILITE TEAM VISIT

Descriptions of the Projects

Science Safar:

Government & Private Schools visiting every week. Students involved in activities. Students are learning a lot by doing experiments by themselves of their textbooks. It also covers visit to laboratories, Science Museum, Natraj Park, Energy Park and Brain Gym to provide a special experience for learning and it works to motivate students to develop curiosity towards science.

<https://www.sciencecity.co.in/category/event/science-safar/>

Science Mobile van:

We have two mobile vans. Our well experienced staffs going with it for the demonstration and explanation of models. They are also showing videos related with science and math to the students.

<https://www.sciencecity.co.in/category/event/science-mobile-van/>

Indian Science Olympiad (ISO) & Indian Cyber Olympiad (ICO) Examinations:

To develop competency to students for Science, Math, cyber as well as in reasoning developed as per the Govt. Curriculum. Students are educated and assessed.

<https://www.sciencecity.co.in/category/event/iso-and-ico/>

Science Express:

It is a bilingual Science Magazine published in Gujarati and English for children, teachers and parents.

<https://www.sciencecity.co.in/magazines/>

Super 30:

Students from economically backward background are selected and educated Science, Math, and English subjects on weekends (Saturday & Sunday) for preparation of their school exams as well as for competitive exams. Almost syllabus for their school exam has been covered.

Open House:

Students come on Sunday & holidays to do experiments under the observation of our staffs. We are running this program called 'Open House'. Visitors come on Sunday to visit science city

Computer Lab Programs:

Our well-equipped air-conditioned Computer lab with latest computers and technology tools and facility provides most suitable environment to learn. With expert staff we are offering various activity and courses.

<https://www.sciencecity.co.in/computer-lab/>

Science City KVK (VTP): Government-approved Vocational training programs. These skill development courses provide government-approved certification accepted at national level. Certification done by Skill development K V K [Science City Koushalya Vardhan Kendra].

Each course is **Free** of cost at Science City for **Females, SC/ST candidates, and BPL card holders**, and for general male candidates there will be a very minor 50/- per month fees applicable. However, these fees are for KVK admission fee **NOT** by Science City Bhavnagar.

<https://www.sciencecity.co.in/vtp/>

Other programs (non-KVK): C.C.C.: Science City Bhavnagar offers course on computer concepts with a scientific approach at very low cost [token fees]. Course is specially modified for learning computer in a completely non-ordinary or say as **a life-skill way** We are providing valid organization level certificates.

AutoCAD: learn drafting and CAD with AutoCAD software

Internet & You: especially short-term lectures designed for using smart devices smartly in routine life.
